Mystical Magical Y

at the end of a word says E or I!

Does the word have a Mystical Magical y at the end? If the mystical magical y says, "I", cross the Y out and put an I above the y. If the mystical magical Y says, "E", cross the y out and put an E above the y.

Quacking

Quack, Quack, Quack! I need a snack!  
I want to eat a snail!

Quack, Quack, Quack! What's behind my back?  
It's only my duck tail!

Quack, Quack, Quack! What is black?  
The speckles on my eggs!

Quack, Quack, Quack! What did I pack?  
Feather pants to warm my legs!

Quack, Quack, Quack!  
Who stepped on that crack?  
My little duckling did!

Quack, Quack, Quack! Who was in the shack?  
That's where the foxes hid!  
AHHHH! QUACK!

My suitcase has a swimsuit

They're suitable for anything that  
I might want to do!

# The Lost Dog

Yesterday my dog ran away.  
I told him to sit, but he wouldn't stay.

Have you seen him?  
He is white and gray.

I've got to find him,  
I can't delay.

Without my dog, it's no fun to play!  
I won't stop looking.  
Will I find him today?

Wait! Who's that riding on the subway?  
It's my dog!

Here, Jay! Here, Jay! Hooray!

No! That's a bumblebee!

# Go West, Columbus

In August of 1492,  
Columbus sailed the ocean blue.

He used his imagination,  
Going west was his destination!

Three boats set sail across the ocean.  
His sailors weren't happy,  
They caused quite a commotion.

Finally, in October they saw land.  
But it was the Bahamas,  
It wasn't Japan!
