Making Connections!

Let's Cross the Curriculum in the Primary Grades

Presented by the Author of The Phonics Dance
Ginny Dowd

The lessons presented in this session coincide with State and National Standards across the country including Common Core.

Differentiation is a key component of this workshop. Connections become more meaningful when you engage your students in the learning process by using thematic units. Join Ginny Dowd in a one day workshop that will put creativity into your classroom. These language arts, creative writing, math, science, and social studies lessons will give your students the opportunity to think critically, understand without memorizing and challenge even the highest level learners. Some of the themes that will be covered include:

We the students of The United States... (Constitution Day)

We are all part of a community

Thanksgiving is for Everyone

I need the Earth and the Earth needs me (Earth Day is every day.)

Meet George and Abe! (Washington and Lincoln that is!)

Embrace our Equality and Celebrate our Differences (Martin Luther King Jr. – Ruby Bridges)

Winter is my favorite season!

In this one day workshop you will receive two manuals with over five hundred lessons that cross the curriculum. Each of the lessons is aligned to the State and National standards and can be implemented the day you go back to school. In this practical presentation, teachers will explore learning activities that can be used every day to raise the level of rigor for all of the students in your classroom.

If you are a primary grade teacher you do not want to miss this opportunity!

Reserve your seat today!!

Attendees are eligible to receive 1 semester hour of credit from Brandman University

Contact Jennifer Drews for reservations @: workshops@phonicsdance.com

Registration and Payment must be received by April 17th, 2018!

About the Presenter:

Virginia Dowd, educator, consultant, author and SDE Presenter is known for her motivating and dynamic presentations. In her twenty nine years of teaching, she has strived to improve reading and writing instruction in the primary grades. A recipient of the Martha Holden Jennings -Master Teacher Award in the state of Ohio, Virginia has developed **The Phonics Dance!** A phenomenal program that teaches phonics combining fast paced movement with chants and rhymes.

Virginia's method of teaching Language Arts integrates well with any teaching style. Her ability to cross the curriculum, and to make learning fun and meaningful, has earned her the respect of educators both in public education and at the college level. Virginia has been a presenter in school districts and universities across the country.
