The Phonics Dance!™

See It. Say It. Dance It. Read It! Write It!

With Presenter and Author Ginny Dowd

A Reading Workshop: Grades Pre-K - 2

Do you want to learn a fast, fun effective approach to teaching Phonics? It's time you came to the Dance - The Phonics Dance is a quick and easy way to teach phonics and increase the reading and writing skills of each and every student in your classroom. Meet all of your students' different learning styles with this brain based approach to learning the sounds in the English language. The goal of this session is to provide phonemic and phonetic success for all primary students, regardless of their developmental level.

This seminar will motivate you and your students to work smarter not harder, all in just fifteen minutes a day. The Phonics Dance offers learning through cost free strategies that incorporate rhyme, movement and chant. Building on phonemic awareness, students become confident, successful writers. In the process they develop strong decoding skills through the use of "hunking and chunking" to build poise and fluency in reading.

Goals of the Dance include:

Utilizing phonics instruction as the springboard to all of the literacy in your classroom

Incorporating your word wall to teach language arts concepts and vocabulary

Demonstrating brain based lessons that motivate all of the students in your classroom to become word detectives

This is a nationally recognized program which is researched based and meets the standards for the Common Core.

If you are a primary grade teacher you do not want to miss this opportunity!
